

SPE Eastern Regional Meeting

Morgantown, West Virginia

October 12-14, 2010

JUNE 30, 2010

Re: Sponsorship Opportunity for 2010 SPE ERM

The Executive Committee for the 2010 SPE Eastern Regional Meeting presents this call for corporate sponsorship for the event to be held October 12th through 14th in Morgantown, WV at the Waterfront Place Hotel and Conference Center. The primary aim of SPE regional meetings is to collect, disseminate and exchange technical and professional information. We will feature 48 technical papers (focusing largely on local interests), short courses, an estimated 140 exhibitors, and many great networking opportunities. We anticipate a record number of registrants for the meeting, making it an excellent opportunity to see old friends, meet new people, and get up to speed on the rapidly changing Appalachian Basin. You and your employees won't want to miss this exciting and informative event!

The event committee has identified several levels of sponsorship participation that will be proudly recognized at the meeting.

- Bronze - \$100 to \$1499
- Silver - \$1500 to \$2999
- Gold - \$3000 to \$4999
- Platinum - \$5000 and greater

In addition to general sponsorship, monies may be specifically donated to individual events and will include event sponsorship recognition banners during that event. Attached is a general event sponsorship form and list of individual event sponsorship amounts. The donations will be used by SPE to defray meeting expenses and to fund college scholarships during the next five years.

It is only with corporate support that the Society of Petroleum Engineers can continue to offer the region this caliber of education and professional fellowship. All sponsors will be recognized in brochures and during the event.

Please join us in corporate support of the 2010 SPE Eastern Regional Meeting. It is an exciting and eventful time in the Appalachian Basin, and your participation in this event will surely be of added value to your continued work in the basin.

In addition to sponsorship, please keep an eye out for our Exhibitor's Invitation letter coming soon. Exhibitor's space has been drastically increased since the last ERM in Morgantown to better accommodate our registrants and exhibitors. The Executive Committee looks forward to your support and attendance in October.

If we may provide any additional information, please do not hesitate to contact us.

Sincerely,

Thomas Suhy - Northeast Region Engineer
